

Business Opportunities with Logistics and Prosthetics

Dan Hopson

*Chief Logistics Officer
Logistics / Prosthetics*

U.S. Department
of Veterans Affairs

Overview

- Chief Logistics Officer
- Logistics / Prosthetics
- Oversee the acquisition, receipt, accountability of a variety of equipment through out the medical center. Prosthetics acquisitions are also handled in this department.

Acquisitions and Contractual Authority

- Acquisitions and contractual commitments can only be made by Government officials having expressed authority to enter into such agreements on behalf of the United States Government. The ONLY Government officials with such authority are Warranted Contracting Officials. Any discussions of contractual requirements do not constitute contractual direction or authorization of any kind. Future contractual directions, if ANY, shall ONLY come from the cognizant Department of Veterans Affairs Warranted Contracting Officer.

Logistics / Prosthetics

- Oversee the acquisition, receipt, accountability of a variety of equipment through out the medical center. Prosthetics acquisitions are also handled in this department.
- Objectives – obtain relevant information of products and small business vendors available to expand our list of procurement sources.
