

Business Opportunities with V. A. Saint Louis Health Care System

*[Louis Peirano]
[Interior Designer]
[Facilities Engineering]*

U.S. Department
of Veterans Affairs

Overview

- Interior Designer, Facilities Engineering
- Primary Responsibilities
 - Consult with Project AE & Stakeholders to develop project requirements
 - Purchases for new and renovation projects
 - Purchases for ongoing support of facility needs
 - Support for all Departmental Moves
 - Support for all new employee needs

Acquisitions and Contractual Authority

- Acquisitions and contractual commitments can only be made by Government officials having expressed authority to enter into such agreements on behalf of the United States Government. The ONLY Government officials with such authority are Warranted Contracting Officials. Any discussions of contractual requirements do not constitute contractual direction or authorization of any kind. Future contractual directions, if ANY, shall ONLY come from the cognizant Department of Veterans Affairs Warranted Contracting Officer.

Interior Design

- Maintain a program that is responsive to the aesthetic and operational needs of the facility
- We are engaged in a shift from a problem-base disease care to one that is focused Veteran – centered care which promotes health and healing
